

The London & South East England Section Annual General Meeting

Save the date

Wednesday 15 July 2020 | Online | 18:00 hours

Guest speaker **Ian Morris** CText FTI will speak of **‘The Power of Media to Deliver Communication, Knowledge and Training in Fashion & Textiles’**

Ian will demonstrate how the use of media can be powerfully used to engage people in sharing key information and learning of technical know-how on safety, hazardous chemicals, sustainability, factories, and manufacturing techniques, using a variety of visually engaging media, including the latest E-learning, leaving ‘classic’ forms of presentation, such as PowerPoint, well behind!

All TI members are invited. Please register your interest in attending by email London@textileinst.org.uk with name and email address, and ‘London & SE Section AGM’ in subject. Those registered will be sent agenda and joining instructions via Zoom 48 hours before the AGM.
