

# Premier Corporate Membership

THE TEXTILE  
INSTITUTE

# Access to The Textile Institute's global network

# Endorsements from Existing Corporate Members

As a Corporate Member of The Textile Institute, Aquitex benefits from privileged access to knowledge and a valuable bridge to academia and professionals worldwide. This connection supports our mission to stay at the forefront of textile innovation and sustainability.

Baltex benefits greatly from our membership of The Textile Institute. Their training courses strengthen our team, and the wealth of technical information and research papers supports our innovation. These resources help us remain at the forefront of technical textiles and global markets.

As a long-standing Premier Corporate Member of The Textile Institute, the University of Manchester continues to see real benefits. Our students qualify for free Individual Membership, while staff enjoy access to publications, training opportunities, and professional networks that strengthen teaching, research, and industry collaboration.
